November 30

She was speaking at a credit outreach programme held in Madhubani, where loans to the tune of ₹1,121 crore were provided to 50,294 beneficiaries by various banks.

"Our Prime Minister Narendra Modi ji says there should be a 'Lakhpati Didi' in every village of the country... and for this, banks have launched several schemes for providing financial assistance to women.

"Women are being given financial assistance and training through every Self Help Group (SHG) in Bihar.

"I urge women to become a part of the schemes launched by the central government... so that they can become more capable and empowered," Sitharaman said.

She also said women would play an important role in achieving the goal of a developed India by 2047.

Union finance minister Nirmala Sitharaman being welcomed by Bihar chief minister Nitish Kumar upon her arrival for a meeting, in Patna on Saturday

"Our PM believes that India's development should be led by women. The focus of the NDA government is clear... The poor, women, youths and farmers are the top four priorities of the government.

"The PM gives the example of Bihar and says that other states should also follow the same path of development and growth," the finance minister said.

Sitharaman also distrib-

uted copies of the Constitution in Maithili and Sanskrit languages to people during the programme.

Besides, she visited the Mithila Chitrakala Sansthan in Saurath area in Madhubani, and interacted with artisans specialising in Mithila paintings and terracotta art.

tries Development Bank of India (SIDBI) announced the sanction of more than ₹155.84 crore and ₹75.52 lakh, respectively, for various rural road projects, officials said.

IL&FS gets NCLAT nod to sell Paradip Refinery Water

PRESS TRUST OF INDIA
New Delhi, November 30

INSOLVENCY APPELLATE TRIBUNAL NCLAT has given a go-ahead to debt-ridden IL&FS group for the sale of its subsidiary IL&FS Paradip Refinery Water (IPRWL) to a successful bidder.

According to reports, this may enable IL&FS to repay a debt of around ₹1,000 crore.

IPRWL was set up to meet water requirement of the 15 MTPA Paradip Refinery Project developed by IOC in Odisha.

IL&FS, which is paring its debt through asset resolution, has not received consent from IOCL for sale of its stake in IPRWL.

It had approached the National Company Law Appellate Tribunal (NCLAT), which is supervising the process, to direct IOCL to either acquire 100% shareholding in IPRWL at a fair valuation or grant its consent as per the terms of the BOOT agreement and the RFP so as to enable IL&FS to sell it.

However, IOCL through its counsel submitted that the BOOT (Build, Own, Operate, and Transfer) agreement with IL&FS was till 2039 and it cannot be disinvested before the said period.

Rejecting this, NCLAT said:

"IOCL having not given consent for 100% of the acquisition of the shareholding, we are of the view that IL&FS has to be permitted to proceed to give it to the successful bidder as per the process contemplated under the resolution framework." However, NCLAT in its order also made it clear that the successful entity should be one who is eligible as per the terms of the BOOT agreement and has relevant technical know-how to carry on the project.

"We thus accept the prayer of the appellant to proceed for giving it to the successful bidder as per the terms of the BOOT agreement and the RFP as per the process contemplated under the resolution framework to its eligible entity," said NCLAT in its order dated November 22.
